

Manu Cloud Forest

On this jungle tour will enjoy untouched nature. Starting from the Andean highlands you will pass a wide range of different vegetation types of the Manu Biosphere Reserve until reaching the Cloud Forest. The Manu Eco Lodge Tambo Paititi is a paradise for bird watching. We also invite you to explore the incredible variety of orchids in our orchid garden.

Program 1

Jungle Tour to the Cloud Forest

3 days / 2 nights

Departures: daily (min. 4 participants)

Day 1: from Cusco to Tambo Paititi Lodge

We start the jungle tour leaving from Cusco in the early morning in private bus. During the journey along the small road, we will pass an impressive landscape and small communities. Leaving the colonial village of Paucartambo behind we reach the Acjanaco Pass (3550 m), the entrance to the Manu National Park. There you will have a first view over the eastern slopes of the Andes to the canopy of the Amazon rainforest. During the trip further down you will observe the fascinating change from the altiplano to the Cloud Forest of the Manu National Park with its unique fauna and flora. In the early afternoon you will reach the San Pedro River. A short jungle walk will take you to the Manu Eco Lodge Tambo Paititi (1500 m).

Day 2: Tambo Paititi Lodge

The early morning is the best time for bird-watching and observation of other animals of the Cloud Forest. Leaving Tambo Paititi before sunrise you will get familiar with the flora and fauna of this part of the Manu National Park. You might see the Andean Cock of the Rock (national bird of Peru), Toucan, Quetzal, Tanager and Motmot as well as Woolly Monkeys, Brown Capuchin Monkeys or Night Monkeys. The Manu Cloud Forest is also habitat of the rare Spectacled Bear, the Jaguarondi, Ocelot, Puma, Weasel, Otter, squirrels and a big family of rodents and bats. After this walk you will be welcomed with a delicious breakfast in Tambo Paititi. In the afternoon your guide will invite you for another observation walk. Of course, you may also just relax observing nature from the terrace of the lodge and other viewpoints, or you can have a refreshing bath in the San Pedro River. After dinner, during a last walk, you will experience nature within dark and

learn more about the fauna and flora of the Manu Cloud Forest.

Day 3: from Tambo Paititi Lodge to Cusco

This morning offers another opportunity for the observation of the Manu Cloud Forest's wildlife. After breakfast you will take our bus back to the Acjanaco Pass and down to Paucartambo. On our journey back to Cusco you can enjoy once more the variety of landscapes Peru offers. Arrival in Cusco in the afternoon.
